Before deciding to purchase this Policy, You should read this PDS carefully to understand the extent of Cover provided by this Policy and its limitations.

Capitalised terms and expressions used in this PDS have the meanings given to them at the beginning of the Policy Wording in Section 2.

ELIGIBILITY

Please Note: Accidental Damage, Accidental Loss and Theft Protection Insurance is only available when purchased with the following Products: Laptops/Notebooks/Netbooks and Tablet devices.

Cover will need to be purchased for each Product You wish to protect. Where You wish to purchase Accidental Damage, Accidental Loss and Theft Protection Insurance after purchasing Your Product, You may do so no later than 30 days from the date specified in Your Product purchase invoice.

When Accidental Damage, Accidental Loss and Theft Protection Insurance is purchased for a Product, the Original Purchase Price of the individual Product must not exceed \$2,500.

FEATURES AND BENEFITS OF THE POLICY

The Policy is an insurance Policy with the following significant features and benefits:

Accidental Damage Protection

If the insured Product suffers Accidental Damage, during the Period of Cover, We will repair or replace the Product subject to the applicable Excess, Policy terms and conditions. The decision to repair or replace the unit lies solely with Us. If the Product is repaired it may be repaired with new or used parts. Any replaced part/s will have the same functionality as the original part/s. If We decide that the Product needs to be replaced, then We

will provide a Replacement Product that may be new or reconditioned. The Replacement Product will have the same functionality as the original Product.

The maximum value of all Your Accidental Damage claims (net of Excesses) cannot exceed twice the Original Purchase Price of the Product. Where the damage is extensive and the replacement value of the Product exceeds the remaining Accidental Damage benefit available, We will payout the remaining benefit. In this instance Your Accidental Damage Cover ceases as the Policy has paid out the maximum benefit.

Accidental Loss Protection

If an occurrence or event arises, resulting in Accidental Loss of Your Insured Product which was unintended and could not have been expected by You during the Period of Cover and subject to the applicable Excess, Policy terms and conditions, then we will provide a Replacement Product.

Theft Protection

If the insured Product is stolen from a Secured Location such as (but not limited to) an office, school information technology room, home, locked vehicle or school locker where there is clear evidence of Violent and Forcible entry during the Period of Cover and subject to the applicable Excess, Policy terms and conditions, then We will provide a Replacement Product.

NOTE: Your Product will not be Covered for theft if the Product is visible to a passerby even when it is in a locked office, classroom or vehicle and subsequently stolen, even if there is clear evidence of violent and forcible entry e.g. the Product was left on the desk and can be seen through a window rather than it being out of sight, or the Product was left on the seat in the vehicle rather than stored out of sight in the glove box or the boot of the vehicle.

If the insured Product is stolen by force or intimidation from an unsecured location for example when the Insured/User is on their way to and from their place of education, employment, residence etc during the Period of the Cover and subject to the applicable Excess, Policy terms and conditions, then We will provide a Replacement Product.

Accidental Loss or Theft Claim

The Policy only provides for one (1) Accidental Loss or Theft claim during the Period of Cover. You can only benefit from one or the other but not both Covers.

PERIOD OF COVER
